Chad Mielke, Sturgeon Bay Police Department Digital Forensic Investigator, and Roxanne Mielke, Sturgeon Bay School Resource Officer, will present an in-depth discussion regarding 15 mobile applications about which parents and guardians should be aware. Some of the apps discussed will include well-known social media and dating apps like Snapchat and TikTok as well as location-based dating apps like MeetMe, Grindr, and Skout. Discussion will also include ways students attempt to hide online activities on their mobile devices as well as options available for parents and guardians to monitor their students' activities while on their mobile devices.
